

FUND RAISER COUNTYLINE FIRE DEPARTMENT

Fund Raiser for New Facilities for the Fire Department

Countyline Fire Department is a 501 (C)(3) Nonprofit corporation; as well as a 509(A)(2) Public charity, by the Internal Revenue Service. We operate solely on donations, fundraising efforts, subscriptions, and grant programs.

CLFD provides emergency services to the Northeastern corner of Yuma County and Western Central Maricopa County, Arizona, covering about 500 square miles of unincorporated Yuma; and Maricopa Counties. We are dedicated to saving lives and property as a result of fires, medical emergencies, and other disasters. We proudly serve our community, visitors and travelers passing through the area.

All donations will be used for building a facility, purchasing equipment for the fire trucks and employee wages for a dedicated paramedic/fire fighter (24/7/365 days a year).
